

What is Falkirk Trinity Community Life Centre?

Falkirk Trinity Community Life Centre is the outreach arm of Falkirk Trinity Church of Scotland. Our building, in the heart of Falkirk town centre, is known as “The Faw Kirk” from which the town took its name.

The Church was refurbished several years ago to be a more community-minded facility as well as a worship centre. The Church has been used extensively since that time by many groups and for various events, religious and secular. A few years ago, our Kirk Session adopted the outreach aim of “Trinity Transforming Lives” and the centrepiece of this mission was the development of a Family Life Centre (FLC). This is now a firmly established facility which is used by a variety of external agencies.

We seek to connect with and serve the people of our community, showing God’s love in action. Our Community Life Centre does just that!

Trinity Transforming Lives

What's on at the Community Life Centre?

- **Happy Faces Tots and Toddler's** group meets on Monday mornings during term time 9.30am - 11:30am. Little ones can enjoy crafts, music and play with parents / carers and helpers.

- **Play Therapy** - our dedicated play therapy room within the church allows our Play Therapist to work with primary school age children on a one-to-one basis.

- **Snowdrop Café** runs on Monday afternoons 1 - 3pm. This provides space to make friendships, to enjoy each other's company, help with isolation and form a sense of belonging.

- Trained companions run **Bereavement Support** groups for adults, parents and children. Our Seasons for Growth groups for children and young people can also support any significant change or loss such as a separation or divorce.

- **Labelled with Love** helps supply school clothing for local families struggling to buy uniforms. Referrals come to us through schools and other agencies as need arises.

- **Café in the Kirk** - we are open on Wednesdays, from 11:30am until 1:30pm. We have regular customers who receive informal support in many ways through our volunteer teams. Our café is dog-friendly.

- **Minitreats** - running once every 3 weeks March - October, we offer a minibus trip for the elderly / housebound which culminates in a cuppa and a blether!

- **Falkirk Foodbank** - we are a Partnering Church of Falkirk Foodbank and our congregation donate food on the first Sunday of each month.

- **Falkirk Street Pastors** use our premises as their base when working in the town centre. Street Pastors work in partnership with police, council, taxi marshalls, door stewards and managers, Red Cross and addiction services to ensure the safety of young people out on Saturday evenings.

- **Signposting** - where we cannot help with a specific need, we have built up a portfolio of information in order that we can signpost to other help agencies in the community.

- Every week, we welcome various addiction support groups. We currently have Alcoholics Anonymous , Gamblers Anonymous and Cocaine Anonymous groups holding their meetings here.

Falkirk Trinity Church is also used by various community groups for their activities. Home Start, Falkirk Camera Club, Falkirk History Club, Odenwald Society, Falkirk Tryst Orchestra, the Bohemians and the Wildlife Trust are just some of the groups who meet here.
